## Profile Summary

Full Stack Web Developer with experience building and deploying real-world applications. Focused on solving practical problems through responsive UI and efficient backend systems. Skilled in REST APIs, database management, and team collaboration using Git.

## Technical Skills

- **Frontend:** HTML, CSS, JavaScript, React.js, Java.
- **Backend:** Node.js, Express.js.
- **Database:** MongoDB, Mongoose, SQL.
- **Libraries:** GSAP.
- **Version Control:** Git, GitHub.
- **Tools:** Postman, Stripe, VS Code.
- **Deployment:** Vercel, Render.
- **Other:** REST APIs, UI/UX Design, Authentication.

## Projects

### ItemNearBy – Local Shop Item Availability Platform

[GitHub](#) [Live](#)

- Developed a full-stack web app for users to find item availability in nearby shops and chat with shopkeepers.
- Implemented responsive UI (React.js) and secure backend (Node.js, Express, MongoDB, Mongoose).
- Used Postman to test and validate backend APIs for real-time item queries.
- Impact: Helped reduce unnecessary travel and save time for users by making local shopping digital.

### Full Stack Food Delivery Platform

[GitHub](#) [Live](#) [Live\(Admin\)](#)

- Built user and admin panels for a complete food ordering system with secure login, item management, and live menu updates.
- Designed scalable REST APIs for handling 500+ menu items using Node.js and MongoDB.
- Followed modern UI/UX practices to ensure 95%+ mobile responsiveness.
- Integrated authentication and admin functionalities for secure data access.

### Portfolio Website

- Created a personal portfolio with React.js to showcase skills, live projects, and GitHub work.
- Focused on modern design principles, interactivity (GSAP), and clean UI.

## Certifications

### Java Full Stack Certification – Softech Computer Education

[Drive Link](#)

## Internships

### Software Development Intern – CMS, Visakhapatnam | Jan 2024 – Apr 2024

[Drive Link](#)

- Completed a 240-hour APSCHE internship focused on full stack web development using React and Node.js.
- Developed real-time user-facing features and worked on backend integrations with structured documentation.

### Short-Term Software Developer Intern – CMS Skill Center

[Drive Link](#)

- Gained hands-on coding experience, problem-solving skills, and exposure to full software development life cycle.
- Learned Agile collaboration and Git-based version control during team projects.

## Education

Andhra University, BSc in Computer Science. [CGPA:8.5/10]	2021 – 2024
Sri Chaitanya Junior College, MPC. [Percentage: 76.3%]	2019 – 2021
Narayana E.M High School [CGPA: 9.2/10]	2019
